Ph no. : 8409941946 | Gmail id : deveshkumardas08@gmail.com | Date of Birth: 27/01/2005

PROFILE

I am a passionate B.Tech Computer Science student with strong skills in C++, Python, and C#, along with hands-on experience in Unity game development and Blender for 3D asset creation. I enjoy developing interactive applications, implementing game mechanics, and solving complex problems using object-oriented programming. I am proficient in MySQL and MS Excel for data management and analysis, and I am eager to contribute my skills while growing as a Game Developer in an innovative and collaborative environment.
